

A group of children are gathered around a table, likely at a birthday party. They are wearing colorful party hats and have their faces decorated with paint. One child in the foreground has a green hat with a white mask design and black face paint. Another child in the background has a green hat with a yellow and orange design. The children are looking down at something on the table, possibly a cake or a gift. The background is a green and white striped curtain.

Foundation

Making a difference together 

About Us

The **CFS Foundation** is a non-profit organization supported by the Colombian company established in the U.S., CFS Coffee.

The foundation was born as a response to one of the most significant issues in our native Colombia: educational inequality.

We believe that love and support are two basic needs for all children, as they contribute in the short, medium, and long term to their cognitive and social development, allowing them to foster their talents and abilities within a community.

Education in Colombia during both childhood and youth presents obstacles for families in vulnerable situations, and our country still needs more economic support to provide the basic elements for a child to receive a high-quality and comprehensive education, and also have the opportunity to develop their full potential in a supportive environment that reaches out to them and their families.

Mission

To contribute to the restoration of education as a right for all vulnerable children and youth in Colombia. To create change in the life of each child and their family by providing the necessary resources for their education at the school level.

Vision

To contribute to the transformation of Colombian children towards a future where high-quality education and talent are always supported, focusing on the most vulnerable areas, with Bogotá at the forefront and extending outreach to surrounding populations.

Foundation^(cfs)
Beginnings

CFS Coffee has been contributing to the education and recreation of vulnerable children in Colombia and the United States for over 12 years.

Through financial assistance, partner donations, and events, the CFS Foundation finally established itself as a non-profit organization between 2021 and 2022.

Support Units

- Organization and celebration of festivities.
- Sponsorship during the school stage.
- Support for the Rompiendo Cadenas Foundation in Bogotá, Colombia.
- Academic support for children in the Magdalena department in the Sierra Nevada and the Boyacá department.
- Support for the Neonatal Unit of the Luis Razzetti Oncological Hospital in Caracas, Venezuela.
- Support for St. Jude Children's Research Hospital in Miami, Florida.

Mission Cartagena

We're currently supporting the Fundevida Foundation in Cartagena, Colombia, as food benefactors and through the provision of school supplies for children and youth diagnosed with cancer and hematological diseases.

The CFS Foundation is working to continue providing support during study sessions and, in the medium term, covering sponsorship for various Christmas season activities.

Mission Ibague

The CFS Foundation in Ibagué, Colombia, provides invaluable support to the local community by supplying uniforms for children participating in sports activities. Through the creation of soccer tournaments and award ceremonies, the foundation not only encourages participation among youth but also promotes values of camaraderie and teamwork.

The CFS Foundation is committed to the well-being and healthy growth of local children and youth.

Mission Medellín

In 2023, the CFS Foundation conducted a toy drive for low-income communities in Medellin. This initiative not only brought joy to the children but also symbolized a ray of hope for those in need.

The collaboration and commitment of the CFS Foundation made this distribution an unforgettable moment.

Mission Bogotá

In Bogotá, the CFS Foundation regularly conducts activities aimed at children from the most underprivileged communities. In addition to receiving gifts and enjoying delicious food, the children participate in various games and recreational activities.

The dedication and commitment of the CFS Foundation to improving the quality of life for these children are easy to see in each of these activities.

Help change a child's life

If you want to collaborate with the CFS Coffee Foundation and help children have a better education and a more promising future, contact us at cfscoffee.com/cfs-foundation.
